

ONE REMOVE® Ink

OneRemove Ink is an effective and fast-acting graffiti remover for surfaces that have been scribbled with ink, silver and gold pens.

Product highlights

- Fast acting and efficient
- Also solves some shadows
- Not flammable

Area of use

Interior graffiti removal in train, subway, tram and bus. Industrial lacquered metal, laminate, fiberglass, flooring, fabric and glass.

Instructions

Apply the product to a cloth and rub the scribble until it is dissolved.

NOTE!

For heavy shadows, pads and associated machine are used for removal.

It is then recommended that the surface is then protected with Ceraseal protection.

Textile surfaces such as chairs and chair backs covered with fabric or plush:

Apply the product in a cloth and moisturize the scrub thoroughly - leave for 30 seconds to 1 minute - and then work the scrub with the scrub or a soft brush until dissolved.
